

The logo features the text "Zebut Pictures" in a black, elegant cursive script. The word "Zebut" is on the left, and "Pictures" is on the right, with a horizontal line underlining the "Pictures" portion. The background is a soft, circular watercolor wash in shades of light orange and beige. The entire composition is framed by delicate green eucalyptus-like leaves and stems, which are more densely packed on the left and right sides and more sparse at the top and bottom.
